Choice of EyeMed or VSP Networks
You’ll like what you see with Direct Vision.

Protecting your eyes starts with having routine eye exams. With Direct Vision you’ll be covered for one routine eye exam every 12 months – starting on day one of your coverage!

Choice of Providers
The Direct Vision Insurance plans include in-network and out-of-network benefits. Choose from EyeMed or VSP network plans. Why choose a network? When you use a network provider you maximize your benefits with low deductibles and overall lower out-of-pocket costs.

If you choose to see an out-of-network provider, these plans provide you with an allowance for each service and you are responsible for any costs above those amounts.

- Special pricing on lens upgrades such as UV coating & polycarbonate lenses & 20% off non-covered materials
- 15% average off retail price for LASIK or PRK laser vision correction, or 5% off promotional price, at US Laser Network locations
